

# Let Your Boy Raise an Acre of Corn.

Any Missouri boy who will agree to grow at least one acre of corn, plant and cultivating it himself, can learn something of great interest by talking to his county agent or writing to the Boys' and Girls' Club Section of the University of Missouri College of Agriculture, Columbia, Mo. The boy should be between 10 and 18 years old. That makes him eligible to enrollment in the corn growing contest which is held each year under the direction of the club manager.

Valuable records, instructional material, circulars and bulletins on corn growing are sent free each month during the growing season to each member of the corn club. This material explains the best methods of corn production as shown by years of experiment. It is told in simple language, easily understood. The boy plants his corn, tends it, and reports results when the crop is harvested. Many premiums are awarded to members each year in both county and state shows. These premiums include cash, trips and merchandise. The boy who is to get in this year must act promptly.

## DULL AND SHARP SHOOTING PAINS

Michigan Lady Suffered Such Pains In Back and Head, But Says Cardui Stopped These Bad Spells.

Palmyra, Mich.—Mrs. Chas. T. Fuller, of this place, writes: "In 1911 I got run-down, and I suffered great pain...with both dull and sharp shooting pains...also back and head. I was weak and could only drag around, and should have been in bed, for I really wasn't able to be up. At times I would have spells that would be so bad I'd have to go to bed, and suffered intensely."

I decided to try Cardui, and saw a great improvement in less than a month's time. I used 7 or 8 bottles and was stronger...I got so much better that my strength returned and my work was easy for me. Cardui did me a world of good. It built me up in health and strength. I haven't had one of those bad spells since. I haven't had to take any more medicine since or have any doctors either and have been able to do my work right along...I recommend it to other women highly as the best medicine I know of for women who suffer from female trouble."

If you suffer from female troubles, follow this advice. Get a bottle of Cardui today and give it a thorough trial. It should help you, as it has helped thousands of other women in the past 40 years. At all druggists. EB-14

## Ford

THE UNIVERSAL CAR

The Ford Model T one-ton truck is proving a splendid time and money-saver on the farm. It is very flexible in control, strong and dependable in service. It has

really become one of the farmer's necessities. One Ford truck is equal to half a dozen teams, and it won't "eat its head off" when not working. The very low price makes it popular with shrewd farmers who analyze conditions on the farm. Let's talk it over, Mr. Farmer. Price, without body, \$550 f. o. b. Detroit.
